01. Create Wallet

Welcome to OceanDrive

1

Create new wallet

This will create a new wallet and Secret Phrase ▶

Import wallet

Import your existing wallet using a Secret Phrase or Private Key ▶

Generated Secret Phrase

Please copy and store your secret phrase somewhere safe, because there's no way to recover it.

This is your wallet password until you change it.

Your phrase is used to unlock your wallet and can recover your CYCON and uploaded files.

10. Publish

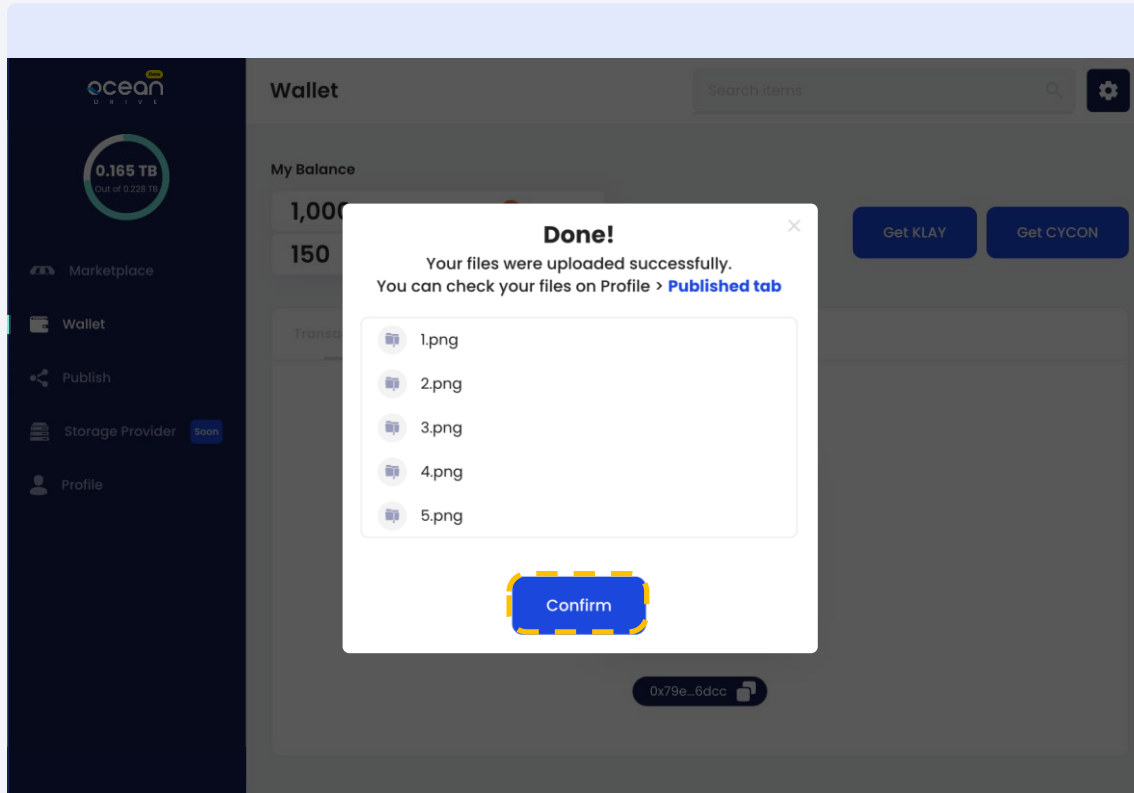

The screenshot shows the 'Publish' page in the Ocean Drive interface. The left sidebar contains the Ocean Drive logo, a storage indicator (0.165 TB out of 0.228 TB), and navigation links for Marketplace, Wallet, Publish (highlighted), Storage Provider (with a 'soon' tag), and Profile. The main content area has a header 'Publish' with a search bar and a settings icon. Below the header, a message states: 'Your published file will appear in public marketplace. They are for sale.' The interface is divided into four sections: 1. Add File: A dashed box containing an 'Upload files' button and a 'Browse' button. 2. Add Thumbnail Image (Cover image): A dashed box containing an 'Upload image under 5 MB' button. 3. Content Title: A text input field with the placeholder 'Enter a Title'. 4. Content Description: A text input field with the placeholder 'Enter a Description'. At the bottom right, there is a grey 'Upload' button.

- 1 **Step1.** Upload files, add a thumbnail image, and enter the title and description.

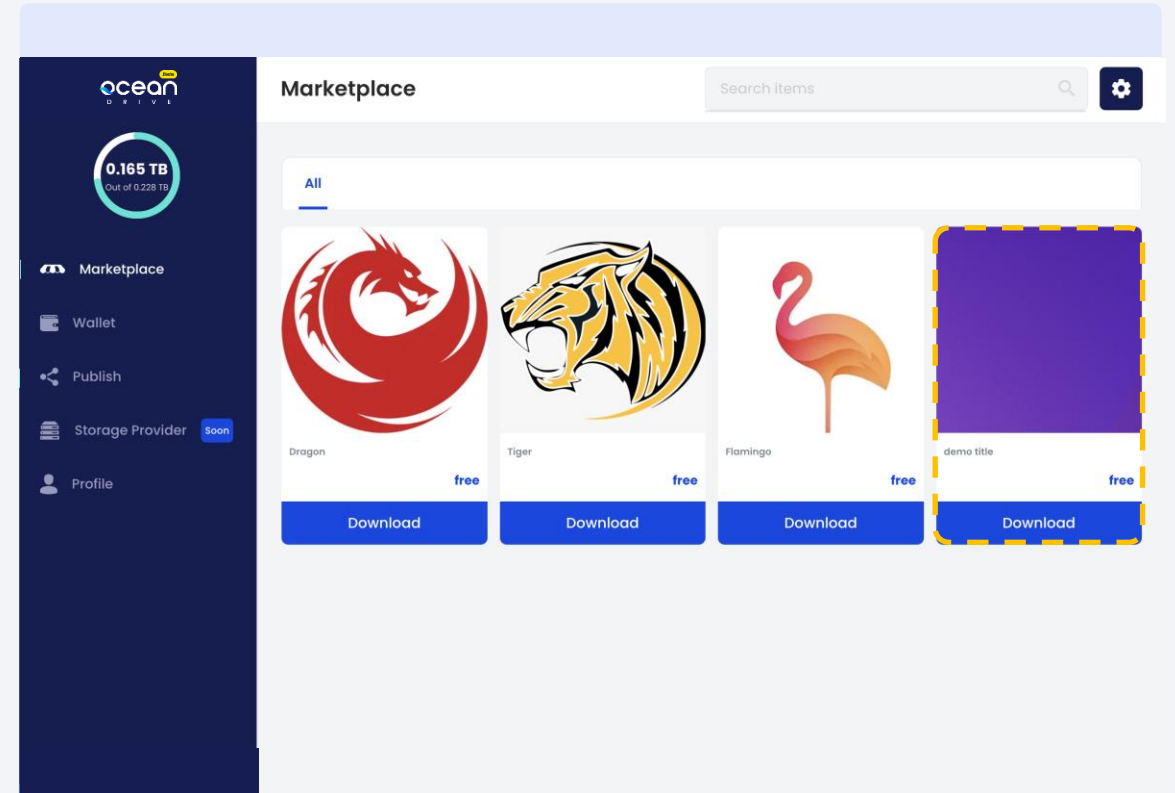

This screenshot shows the same 'Publish' page as the previous one, but with data entered and the 'Upload' button highlighted. The 'Content Title' field now contains 'demo title'. The 'Content Description' field contains the text 'demo title description demo title description demo title description'. The 'Add File' section now shows a list of four attached files: '1.png', '2.png', '3.png', and '4.png', each with a red 'x' icon to its right. The 'Add Thumbnail Image' section shows a purple placeholder image with a red 'x' icon in the top right corner. The 'Upload' button at the bottom right is now blue with a yellow dashed border.

- 2 **Step2.** Click [Upload] button

10. Publish_2

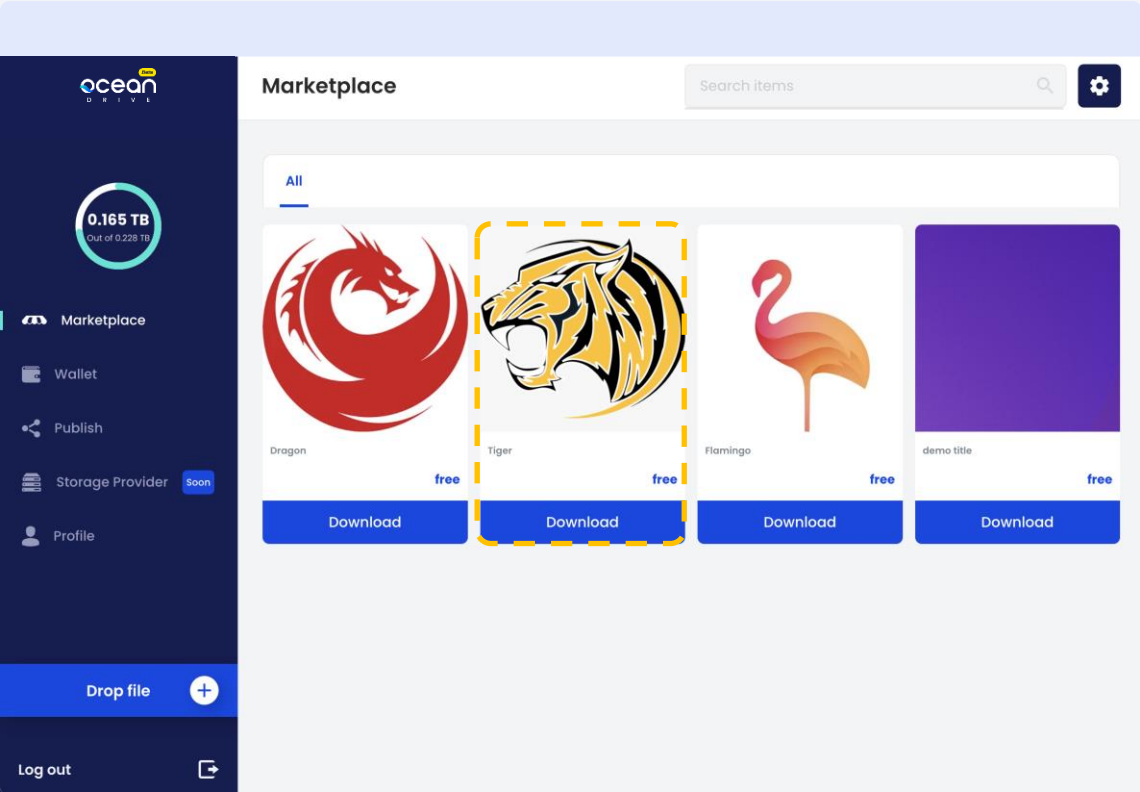

- 3 **Step3.** Upload files, add a thumbnail image, and enter the title and description.

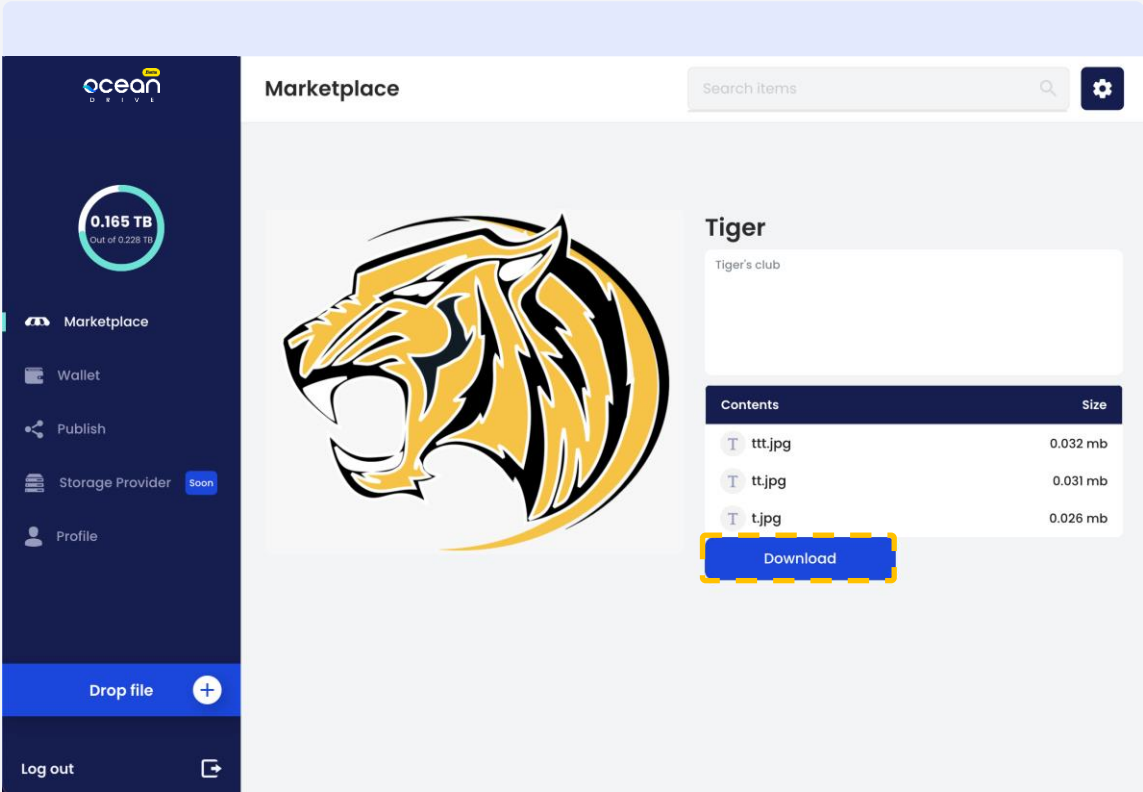

- 4 **Step4.** Your published files appear in Marketplace.

11. Marketplace

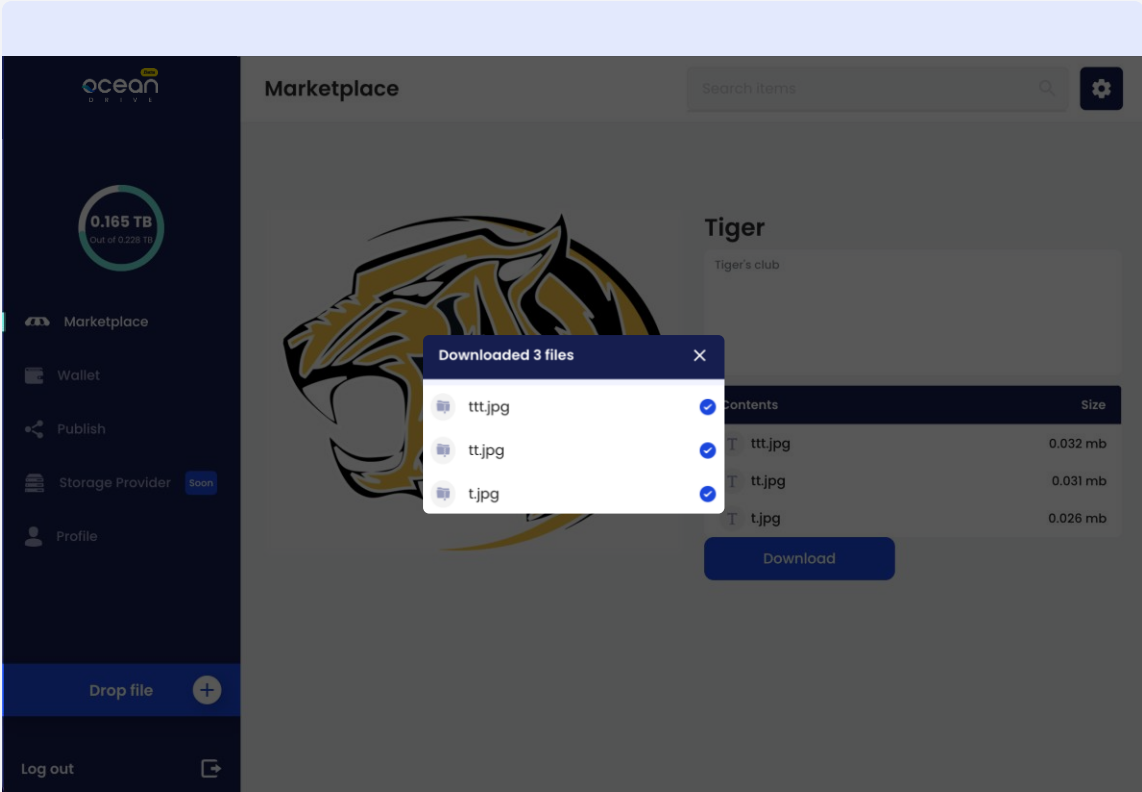

1 **Step1.** Once you click the images, it will take you to the details page.

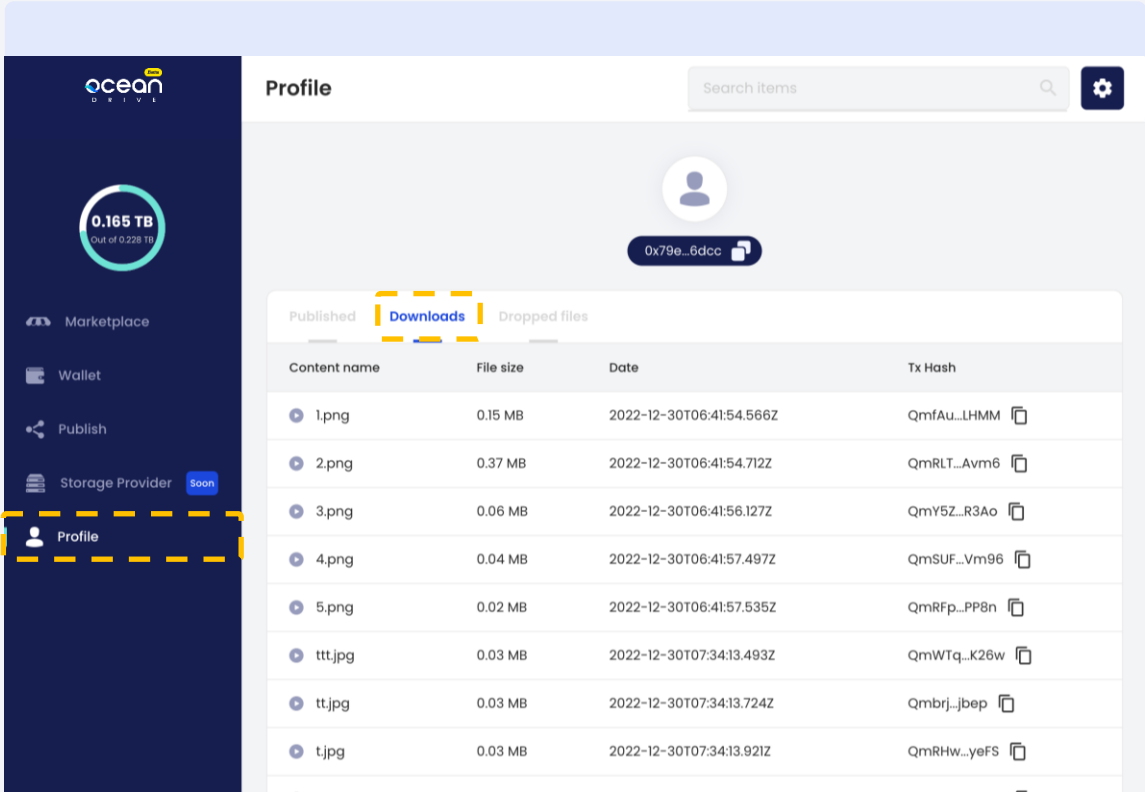

2 **Step2.** This is Marketplace details page. Here, you can download the contents.

11. Marketplace_2

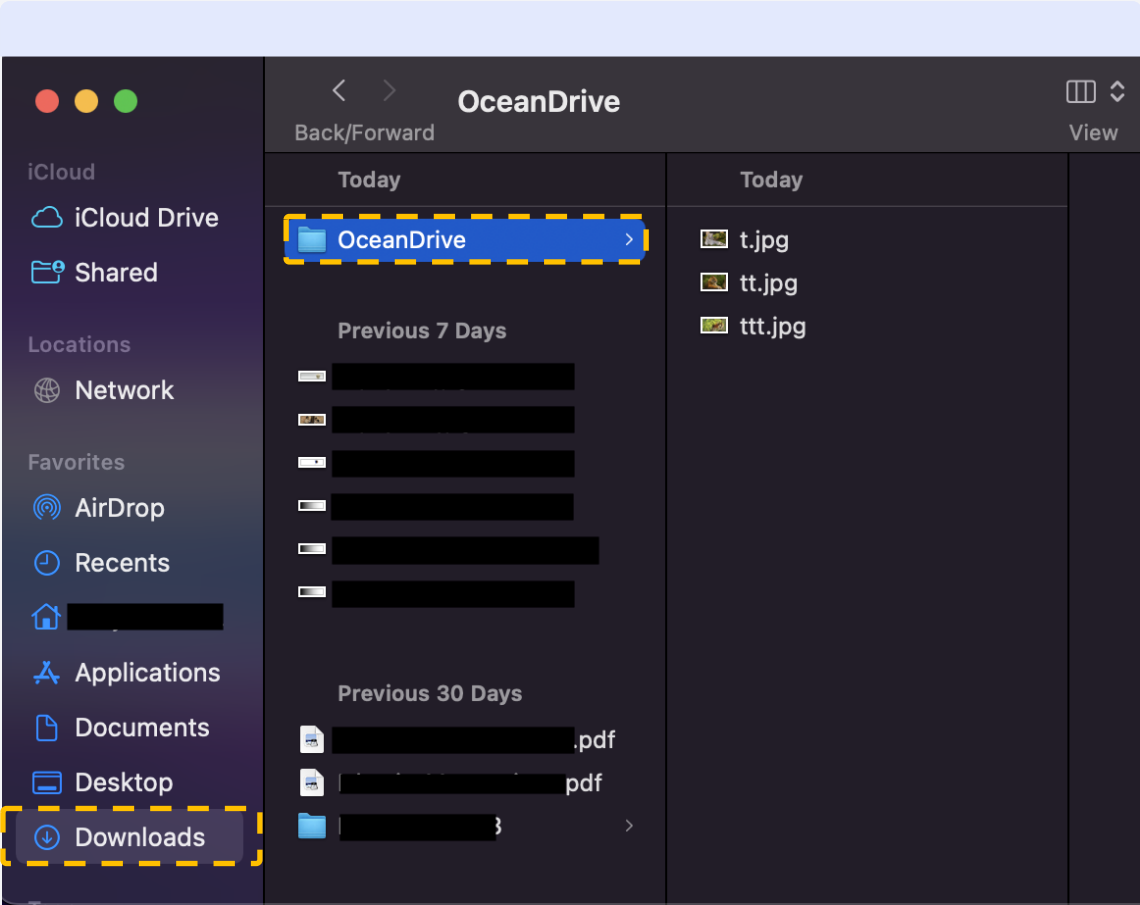

3 **Step3.** Now, It has downloaded sucessfully.

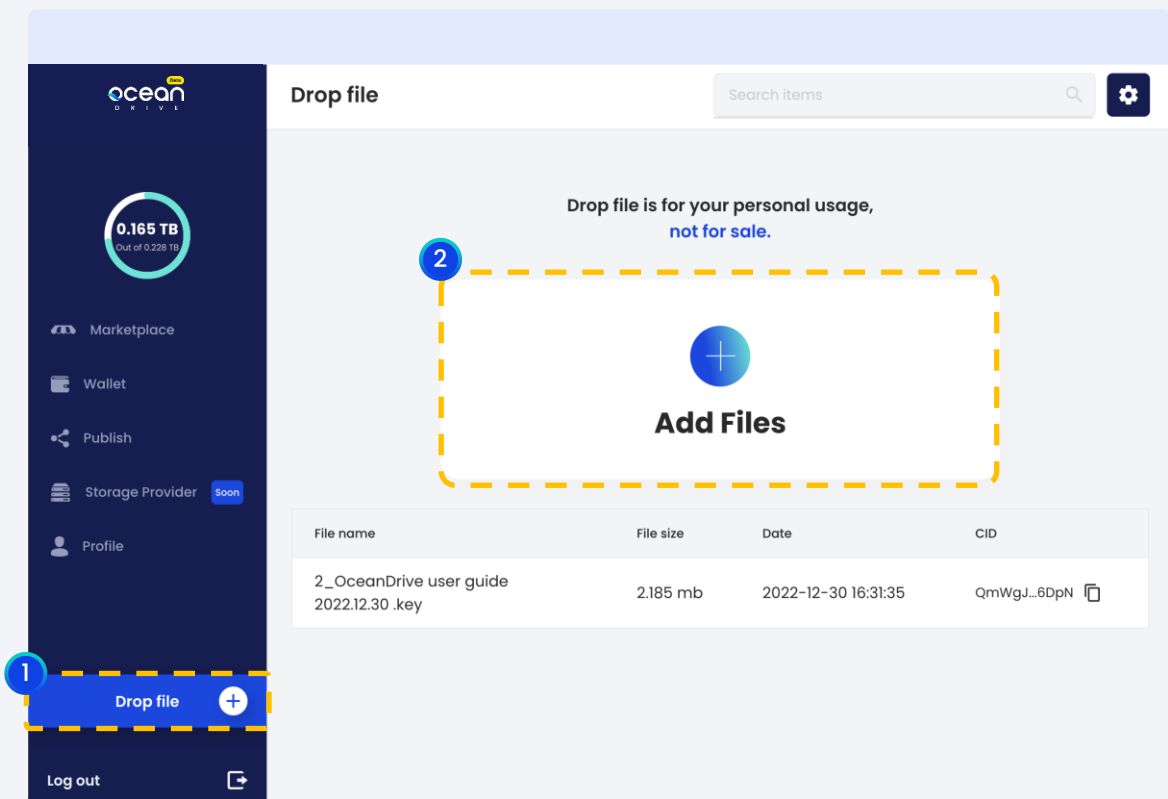

4 **Step4.** You can check your downloaded files in your Profile under Donwloads tab.

11. Marketplace_2

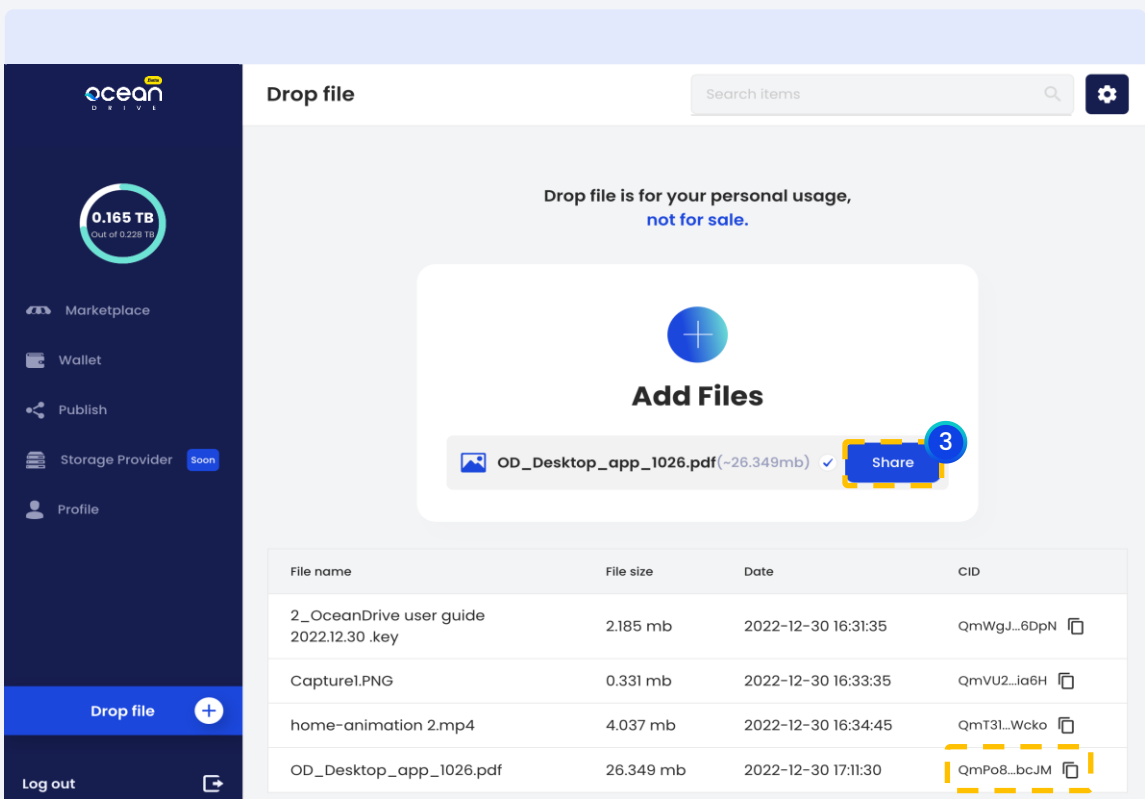

5 **Step5.** You can also check your downloaded files in your computer.. Downloads/OceanDrive folder.

12. Drop Files

- 1 **Step1.** Click [Drop file] button
Step2. Drag and drop your files.

- 3 **Step3.** You can share your file by clicking [share] button or copying CID.
