## 08. Publish\_create a collection

The image consists of two side-by-side screenshots of the Ocean Drive Publish interface. Both screenshots show a sidebar on the left with icons for Marketplace, Wallet, Publish (which is highlighted in blue), Storage Provider, and Profile. The main area is titled 'Publish' and shows a summary: '0.164 TB Out of 0.450 TB'. A search bar and settings/globe icons are at the top right.

**Screenshot 1 (Left): Create a Collection Step 1**

This screenshot shows the initial step of creating a collection. It includes fields for 'Add Thumbnail Image (Cover image)', 'Add File', 'Content Title', 'Content Description', and 'Select type'. A note says: 'If you have no collection, then click the [create a collection](#) first, then your files will appear in this collection.' A large blue button labeled 'Create' is at the bottom.

**Screenshot 2 (Right): Create a Collection Step 2**

This screenshot shows the second step of creating a collection. It has fields for 'Collection Name\*' and 'Upload logo'. A large blue button labeled 'Create' is at the bottom.

**1 Step1.** Click [Create a collection].

**2 Step2.** After uploading the image and creating a collection name, click [Create].

## 08. Publish\_free

The image consists of two side-by-side screenshots of the Ocean Drive 'Publish' interface. Both screenshots show a dark-themed dashboard with a sidebar on the left containing icons for Marketplace, Wallet, Publish (which is selected), Storage Provider, and Profile. The main area is titled 'Publish' and displays a message: 'Your published file will appear in public marketplace. They are for sale.' Below this are six numbered steps:

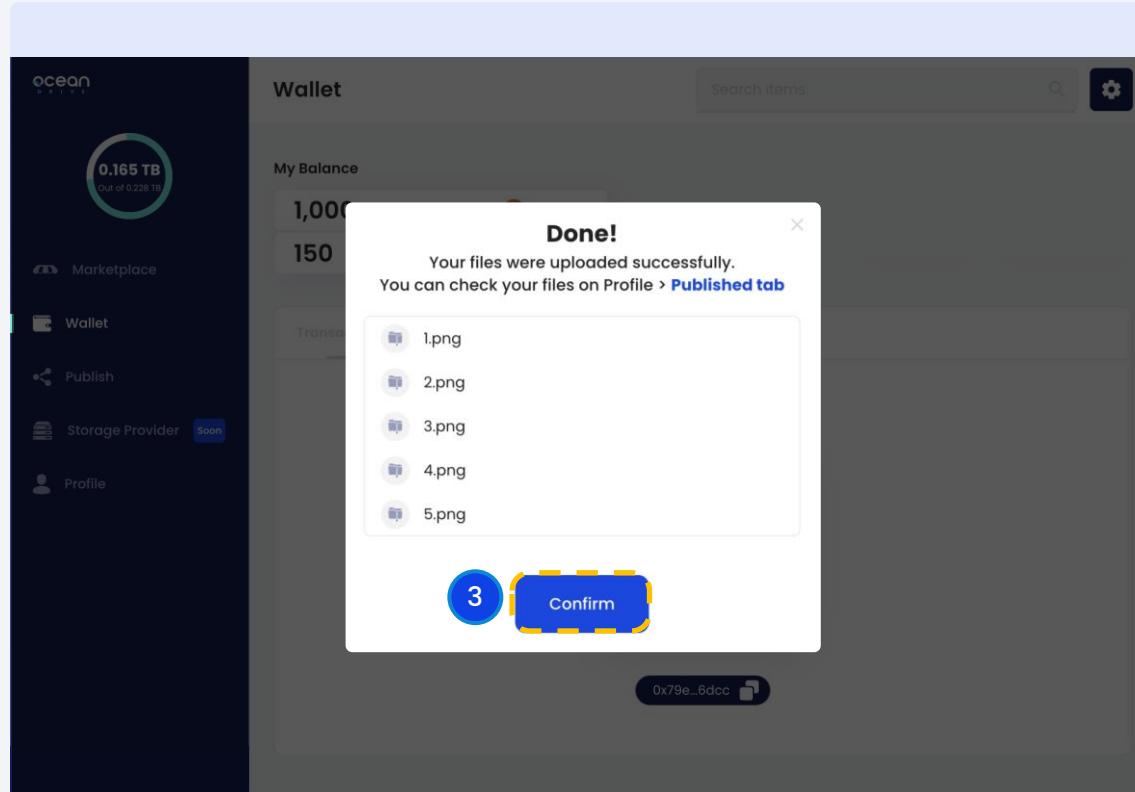

1. Add Thumbnail Image (Cover image) - A dashed blue box surrounds the 'Upload image' button.
2. Add File - A dashed blue box surrounds the 'Upload files' button and the 'Search' button.
3. Collection - A dropdown menu showing 'MyTestCollection\_0401'.
4. Content Title - An input field with placeholder 'Enter a title'.
5. Content Description - An input field with placeholder 'Enter a Description'.
6. Select type - A dropdown menu showing 'Free'.

Click [Confirm].

**4 Step4.** Your uploaded files will appear in Marketplace.

## 09. Profile\_Published

The image consists of two side-by-side screenshots of the Ocean Drive mobile application. The left screenshot shows the 'Profile' screen. At the top, it displays 'ocean DRIVE Beta' with storage information '0.255 TB Out of 0.450 TB'. Below this is a navigation bar with icons for Marketplace, Wallet, Publish, Storage Provider, and Profile. The main area is titled 'Profile' and contains a user icon, a search bar, and three buttons: 'Search items', 'Settings', and 'Global'. Underneath is a section titled 'Collected' with tabs for 'Published' (selected) and 'Purchased'. It shows a collection card for 'MyTestCollection\_0401' with a purple shopping cart icon, the text '1 items', and a 'Drop file' button at the bottom. A blue circle with the number '1' is overlaid on the collection card. The right screenshot shows a detailed view of the 'MyTestCollection\_0401' collection. It has a back arrow, a user icon, a search bar, and three buttons: 'Search items', 'Settings', and 'Global'. The collection title 'MyTestCollection\_0401' is at the top. Below is a 'Filter' dropdown. The main content area shows a preview image of the collection, the text 'test', 'For sale', and a circular price indicator '500'. A blue circle with the number '2' is overlaid on the preview image.

1 **Step1.** Uploaded files can be viewed on the profile page.

2 **Step2.** If you select paid and free items from the list, you will be taken to the detailed page.

## 09. Profile\_Published 2

The screenshot shows the Ocean Drive web interface. On the left, a sidebar menu includes Marketplace, Wallet, Publish, Storage Provider, and Profile. The Profile section is active, showing a 0.255 TB storage usage (out of 0.450 TB). A central search bar has 'test' typed into it. Below the search bar is a table of uploaded files:

Content name	File size	Date	CID
1 (1).png	0.0101 MB	2024/04/01 21:04:53	bafkreiccqkz73oly65aqgc...

Listed	250 CYCON	0xd87f...34bf	0x587c...4641	0x2ee...5c34	2024.04.01 18:50:58

At the bottom of the sidebar is a 'Drop file' button with a plus sign.

3 Step3. You can view uploaded file information on the detailed page.

## 10. Marketplace\_Cancel

The image consists of two side-by-side screenshots of the Ocean Drive Marketplace interface. Both screenshots show a dark-themed dashboard with a sidebar on the left containing links for Marketplace, Wallet, Publish, Storage Provider, and Profile. The main area displays a listing titled "test" with three files: "1 (1).png", "1 (2).png", and "1 (3).png". A price of 250 CYCON is shown, along with a "Cancel" button highlighted by a yellow dashed circle. Below the listing, a table shows transaction details: Event (Listed), Price (250 CYCON), From (0xd87f...34bf), To (0x587c...4641), Tx Hash (0x2ee...5c34), and Date (2024.04.01 18:50:58).

**Step 1.** To cancel a uploaded item, click [Cancel].

**Step 2.** A toss message about what has been canceled will appear.

1 Step1. To cancel a uploaded item, click [Cancel].

2 Step2. A toss message about what has been canceled will appear.

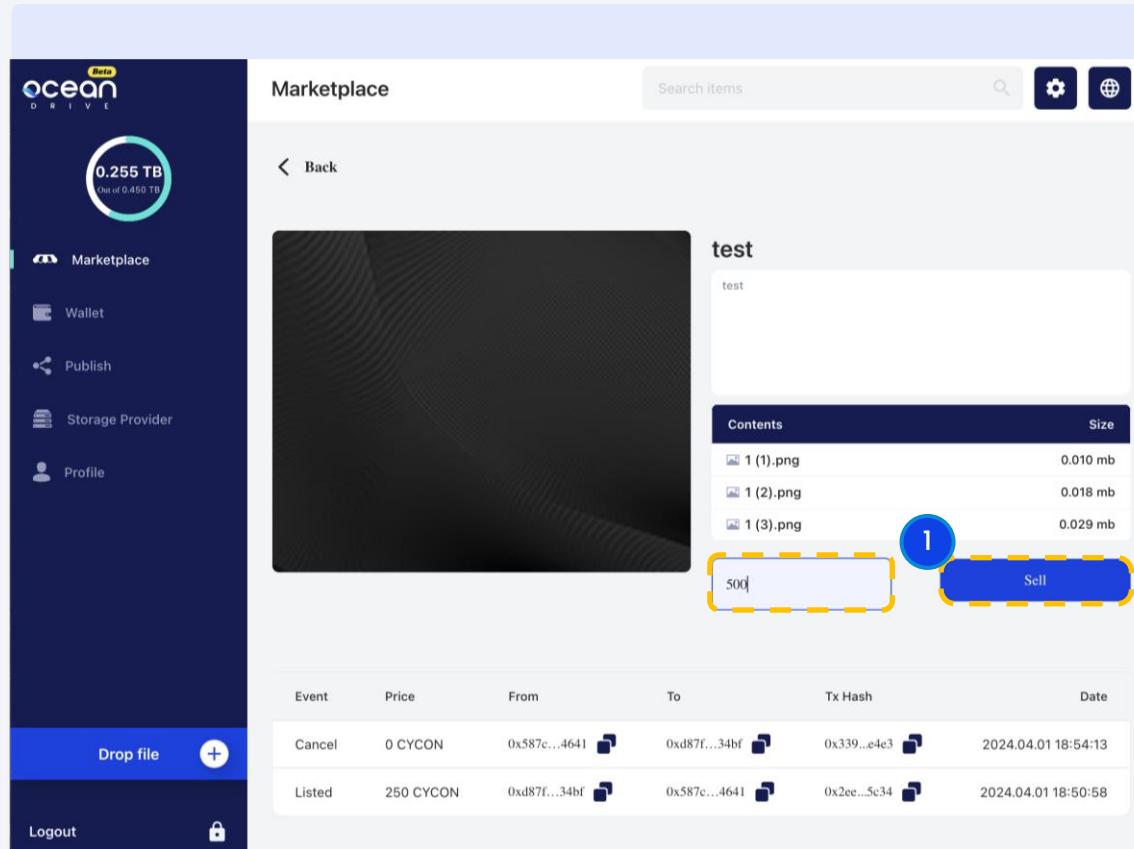

## 10. Marketplace\_Cancel 2

The screenshot shows the Ocean Drive Marketplace interface. On the left is a sidebar with navigation links: Marketplace (selected), Wallet, Publish, Storage Provider, Profile, Drop file (with a plus icon), and Logout. The main area displays a file listing titled "test" containing three PNG files: "1 (1).png", "1 (2).png", and "1 (3).png" with sizes 0.010 mb, 0.018 mb, and 0.029 mb respectively. Below the file list are two buttons: "250" and "Sell". At the bottom, there is a table showing transaction history:

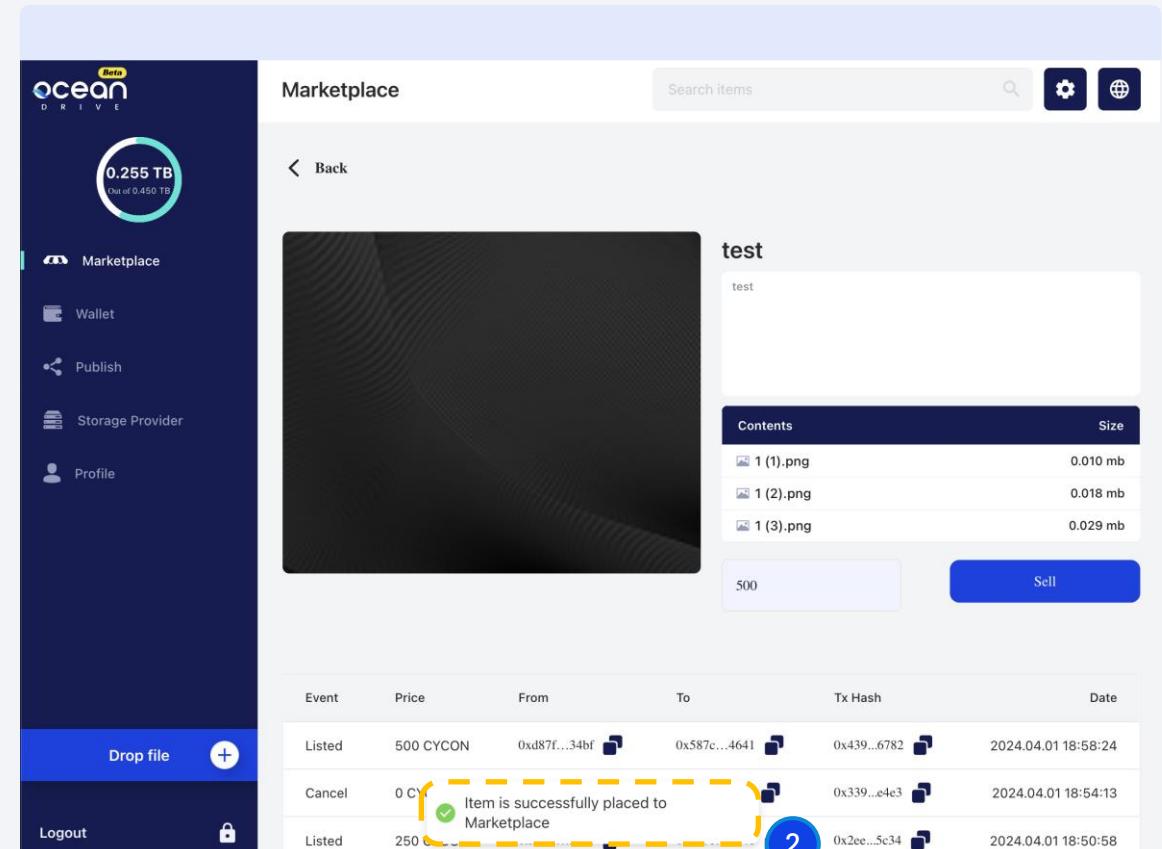

Event	Price	From	To	Tx Hash	Date
Cancel	0 CYCON	0x587c...4641	0xd87f...34bf	0x339...e4e3	2024.04.01 18:54:13
Listed	250 CYCON	0xd87f...34bf	0x587c...4641	0x2ee...5c34	2024.04.01 18:50:58

3 Step3. Check your transaction history.

## 10. Marketplace\_Sell

1 Step1. Enter the amount and click [Sell].

2 Step2. A toss message about what item has been successfully placed will appear in Marketplace.

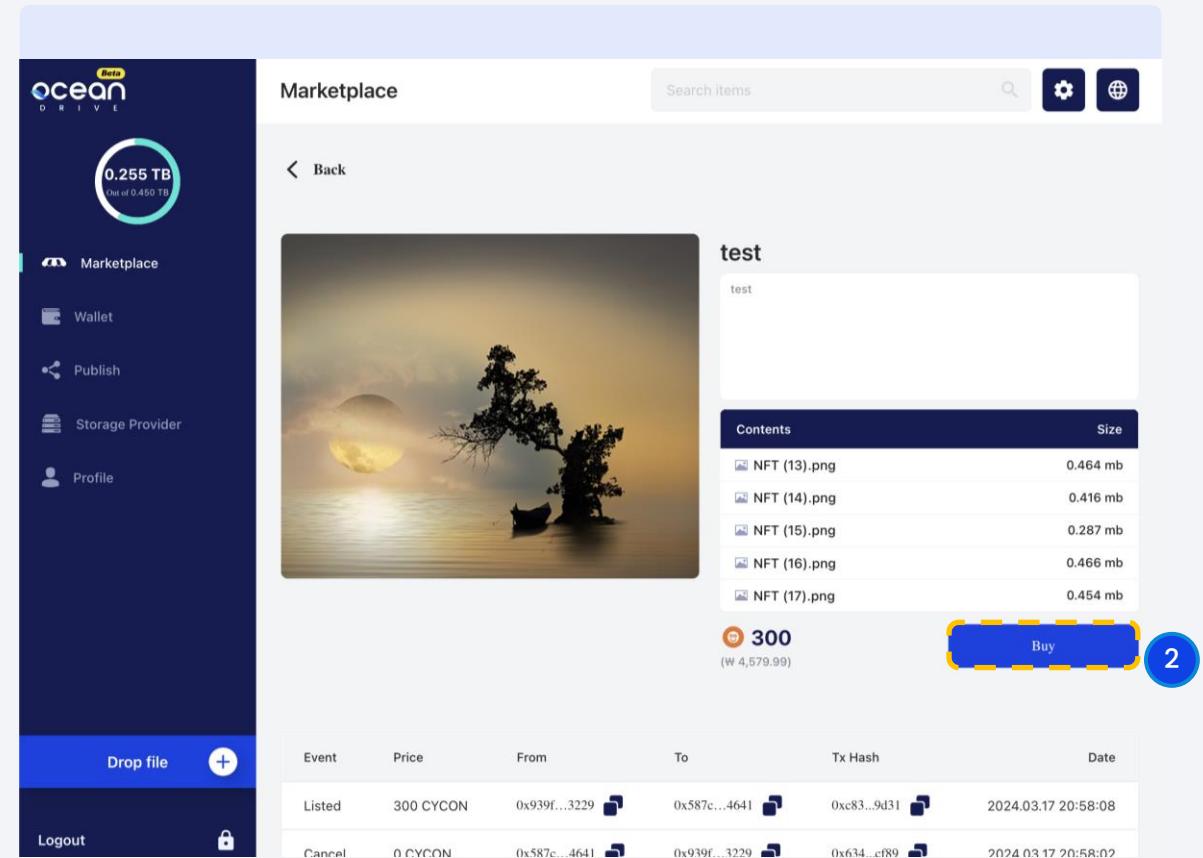

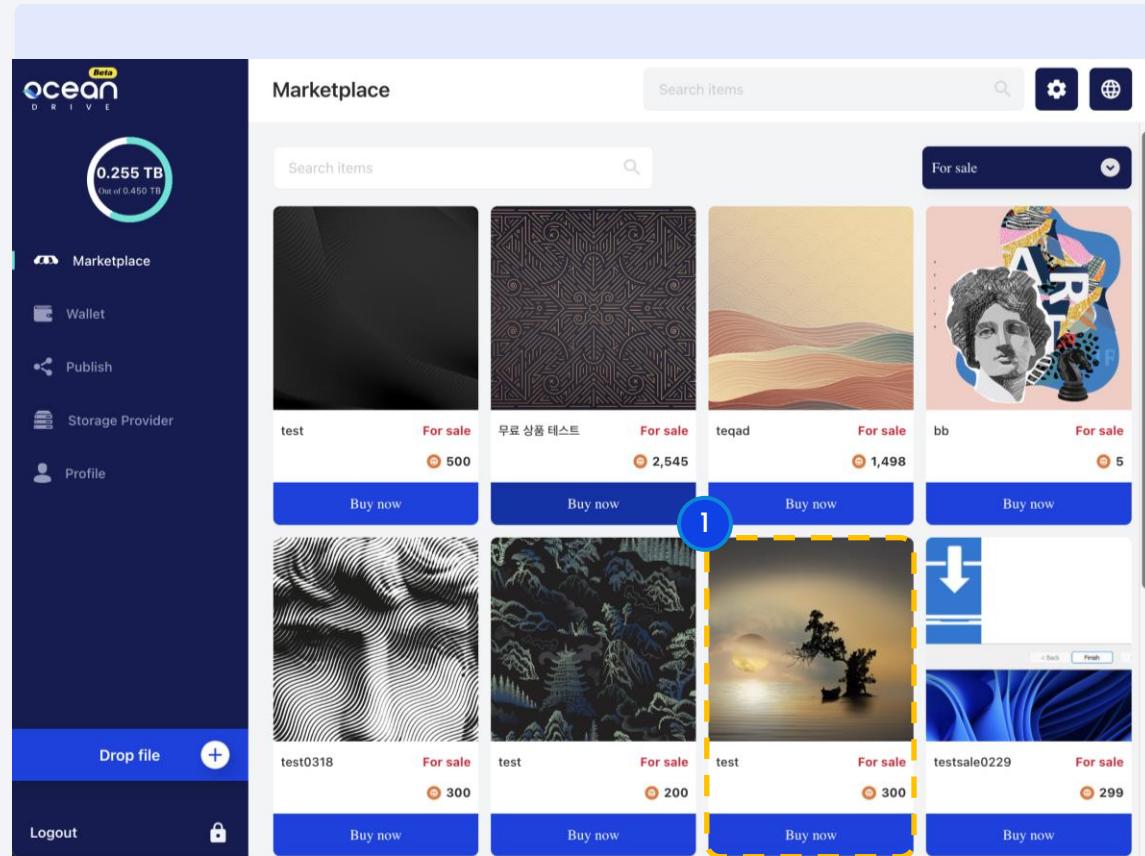

## 10. Marketplace\_Sell 2

The screenshot shows the Ocean Drive marketplace interface. On the left, a sidebar displays storage usage (0.255 TB out of 0.450 TB), navigation links (Marketplace, Wallet, Publish, Storage Provider, Profile), and a 'Drop file' button. The main area is titled 'Marketplace' and shows a file listing for a folder named 'test'. The listing includes three PNG files with sizes 0.010 mb, 0.018 mb, and 0.029 mb. A price of 500 CYCON (W 7,456.06) is shown. Below the listing is a table of transaction history:

Event	Price	From	To	Tx Hash	Date
Listed	500 CYCON	0xd87f...34bf	0x587c...4641	0x439...6782	2024.04.01 18:58:24

Listed	250 CYCON	0xd87f...34bf	0x587c...4641	0x2ee...5c34	2024.04.01 18:50:58

3 Step3. Check your transaction history.

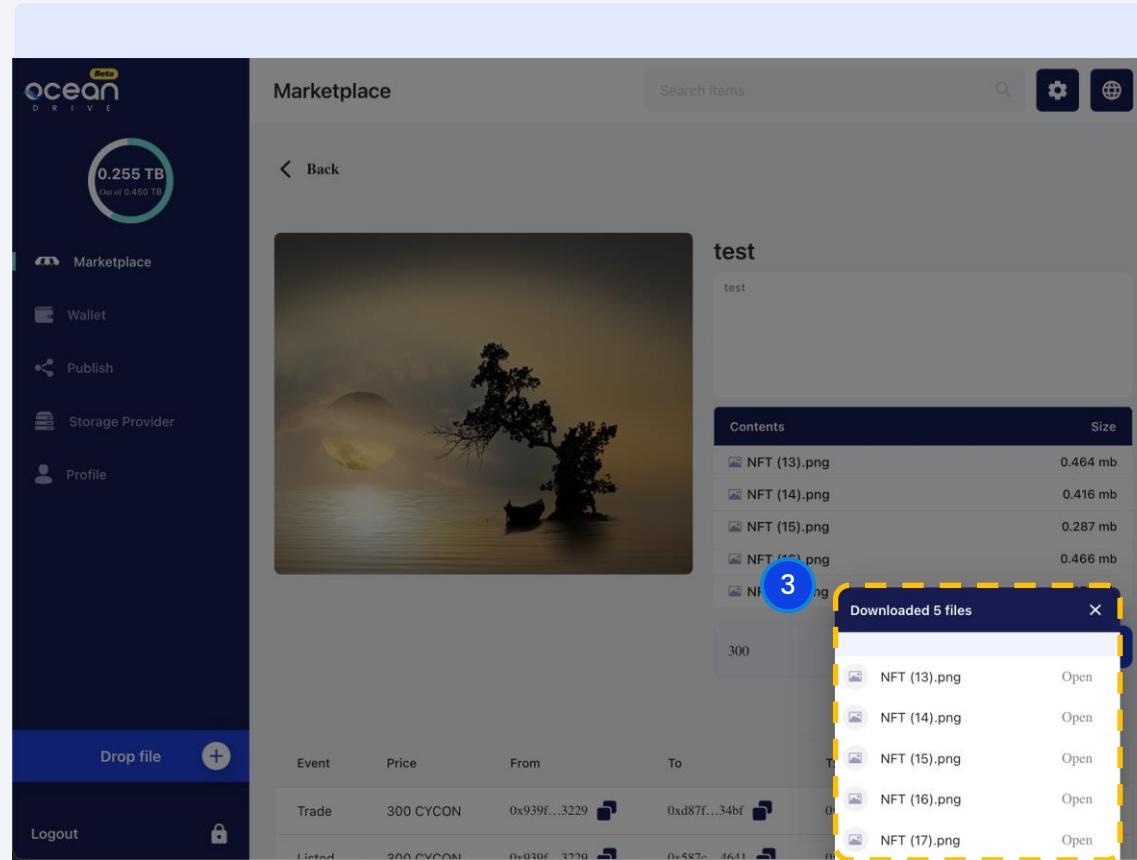

## 10. Marketplace\_Purchase

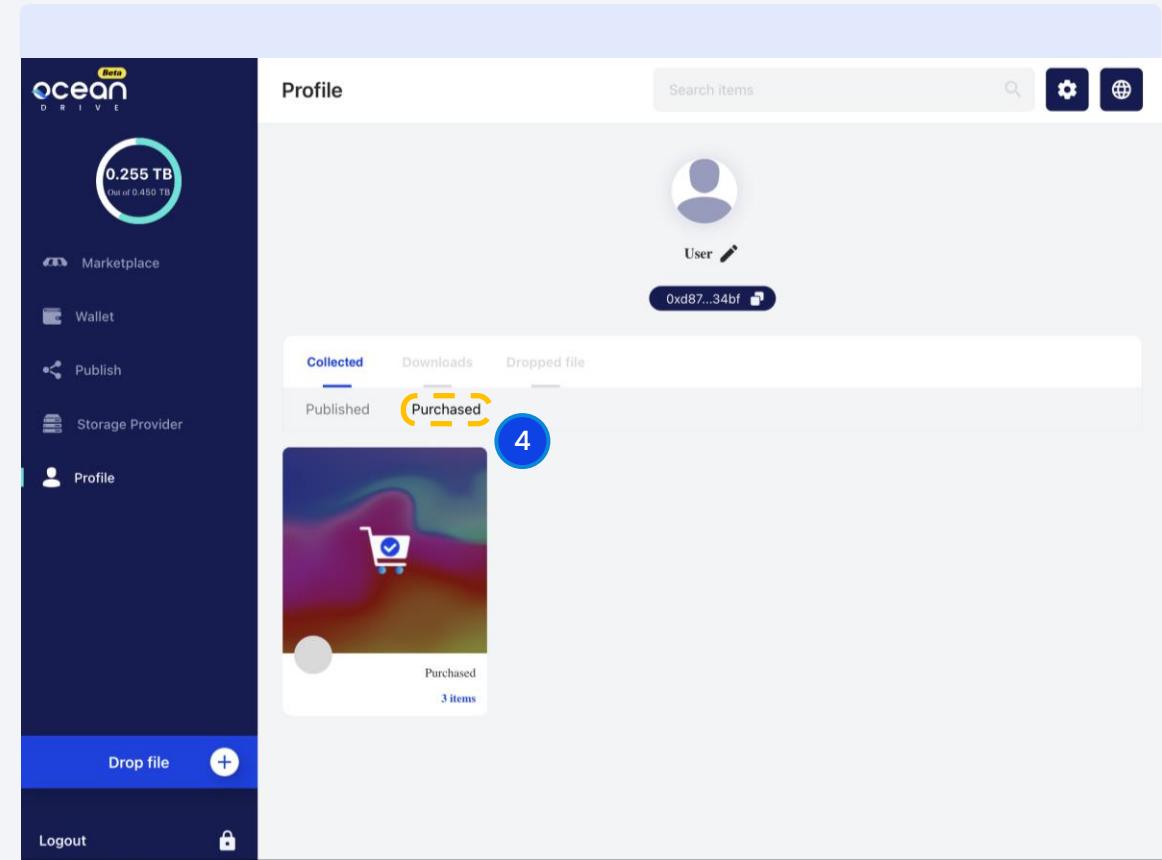

1 Step1. Click the item you want to purchase.

2 Step2. Check the files and click [Buy].

## 10. Marketplace\_Purchase 2

**3 Step3.** The transaction has been completed successfully.

**4 Step4.** Purchased items can be viewed in the Purchased Tab on the Profile page. For more information, click on the card to view the detailed page.

## 10. Marketplace\_Purchase 3

The screenshot shows the 'Purchased' section of the Ocean Drive Marketplace. At the top, there's a search bar and three icons. Below it, a large circular icon indicates '0.255 TB Out of 0.450 TB'. The main area displays a grid of purchased items. One item in the center-right is highlighted with a yellow dashed border and a blue circle containing the number '5'. The item details are: Name 'test', File size '0.4536 MB', Date '2024/04/01 20:04:18', CID 'bafybeidifgmwblizka5fnl...', and a 'For sale' status with a price of '300 CYCON'. Other items in the grid include 'tessaa023' (2,000), 'test\_0319' (100), and another 'test' item (300). A 'Filter' dropdown is visible on the right. The sidebar on the left includes links for Marketplace, Wallet, Publish, Storage Provider, and Profile, along with a 'Drop file' button and a Logout button.

5 Step5. This is a list of purchased items.

The screenshot shows a detailed view of a purchased item named 'test'. The top part is identical to the 'Purchased' page. Below it, a table lists uploaded files. The table has columns for Content name, File size, Date, and CID. The data is as follows:

Content name	File size	Date	CID
NFT (13).png	0.4644 MB	2024/04/01 20:04:18	bafybeiczj2oaud4dugv3d...

Listed	300 CYCON	0x939f...3229	0x587c...4641	0x1be...3125	2024.03.17 20:57:25

A 'Price' input field set to '300' and a 'Sell' button are at the bottom. The sidebar on the left is identical to the one in the first screenshot.

6 Step6. View uploaded file information on the detailed page.

## 11. Storage Provider

The screenshot shows the Storage Provider page of the Ocean Drive interface. On the left is a sidebar with icons for Marketplace, Wallet, Publish, Storage Provider (which is selected), and Profile. A central 'Drop file' button with a plus sign is also present. The main area has a header 'Storage Provider' with a search bar and settings icon. Below are four key metrics: Total Storage (0.227 TB), Used Space (0.150 TB), Available Space (0.077 TB), and My CYCON (9,100). The 'Subscribed Pool' section lists two entries: 'Custom pool 2' (30GB, 20 pin, 1000 CYCON, 2024/01/05, 2 months) with an 'Unsubscribe' button, and 'demo pool 1' (45GB, 20 pin, 1000 CYCON, 2023/12/27, 3 months) with an 'Unsubscribe' button. The 'Requested Pool' section lists three entries: 'Custom pool 1' (20GB, 20 pin, 1000 CYCON, 2024/01/02, 3 months) with a 'Subscribe' button, 'demo pool 2' (45GB, 20 pin, 1000 CYCON, 2023/12/27, 3 months) with a 'Subscribe' button, and 'testvvv11' (1GB, 10 pin, 1000 CYCON, 2023/12/26, 1 month) with a 'Subscribe' button.

**The Storage Provider page includes:**

- Subscribed Pool
- Requested Pool
- My CYCON (Reward)

## 11. Storage Provider\_Subscribe

The screenshot shows the Ocean Drive Storage Provider dashboard. On the left is a sidebar with icons for Marketplace, Wallet, Publish, Storage Provider (selected), and Profile. A central search bar at the top has a placeholder 'Search items' and a magnifying glass icon. Below the search bar are four summary cards: 'Total Storage 0.227 TB', 'Used Space 0.150 TB', 'Available Space 0.077 TB', and 'My Cycon 9,100'. The main area is divided into two sections: 'Subscribed Pool' and 'Requested Pool'. The 'Subscribed Pool' section lists two entries: 'Custom pool 2' (30GB, 20, 1000 CYCON, 2024/01/05, 2 months) and 'demo pool 1' (45GB, 20, 1000 CYCON, 2023/12/27, 3 months). Each entry has a red 'Unsubscribe' button. The 'Requested Pool' section lists three entries: 'Custom pool 1' (20GB, 20, 1000 CYCON, 2024/01/02, 3 mon), 'demo pool 2' (45GB, 20, 1000 CYCON, 2023/12/27, 3 months), and 'testvvv11' (1GB, 10, 1000 CYCON, 2023/12/26, 1 month). The 'Custom pool 1' entry has a blue 'Subscribe' button highlighted with a yellow circle containing the number '1'.

Pool Name	Pool Size	Pin	Price	Subscribed Date	Period	Action
